### Part 1: Background Information

Please answer the following questions regarding your neighborhood association:

- a) How long has your neighborhood association been conducting regular meetings?
  
  
  
  
  
  
  
  
  
  
- b) Does your neighborhood association have current bylaws (if yes, please provide a copy with this request, if no, please explain)?
  
  
  
  
  
  
  
  
  
  
- c) How many neighborhood association meetings have been held in the past year and what is the approximate attendance for a typical meeting?

## Part 2: Statement of Intent

Briefly describe why your neighborhood association would like to embark on developing a neighborhood plan?

A neighborhood plan will specify a five year action strategy for the neighborhood. Given that, please explain (or list) the benefit(s) you believe will be identified in each of the following general areas of interest listed below:

- a) Land uses
- b) Public facilities, infrastructure, or other desired civic services
- c) Neighborhood association activities

## Part 3: Neighborhood Involvement

Please provide a potential list of neighborhood residents and community representatives that you feel should be involved with the development of your neighborhood's plan (potential list of steering committee members). This list should include the names of seven (7) to ten (10) people.
